

# THE CLUBHOUSE

## The Clubhouse Teambuilding & Client Entertainment

The Clubhouse runs a programme of bespoke team building and client entertainment options, designed especially to take place at our luxurious Mayfair, St James's, Bank and Holborn venues.

Choose from a mixture of activities including some of our favourites highlighted here, all of which are fully supported by our partner Team Tactics. Each activity can be tailored to your needs whether that be to focus and improve leadership skills, creative thinking, customer focus, time management, efficiency, collaboration and more.

### The Haka

WITH AUTHENTIC MAORI TRIBESMEN

The Haka is a traditional, ancient Maori Tribal War dance that acts as a powerful conference energiser or team building activity. For centuries native Maori tribes have used the power of the Haka to unite and tackle challenges head-on. It is just as effective today and provides the opportunity for your team to grow together. Our tribesmen have even been involved in the Invictus Games amongst other impressive events.

Delegates will take to their seats before our authentic Maori tribesmen will storm the stage and perform the Haka much to the surprise of your guests! The group will then participate in our high energy Haka workshop in which they will learn and perform as a unified team in a spectacular Grand Finale. The participation brings people together and gives them a shared experience and incredible fun! We can tailor the message of the Haka workshop to feature your own personal message.

#### Packages include:

- Pre-site/client visit where necessary
- Experienced and fully costumed Haka Tribesmen
- Face paint for delegates
- A PowerPoint slide with the words to The Haka
- Event management & facilitation
- Public liability insurance

### FreshBiz

ENTREPRENEUR GAME

In today's ever-changing inter-connected world, we are seeing so much innovation, creativity, and collaboration coming from the entrepreneurship community of start-ups. More and more companies realize how important it is to infuse that entrepreneurial mindset into the workplace, but they don't always know how to do it. The aim of the FreshBiz game is to win, however to do this, participants must collaborate, come up with creative ideas and solutions, spot opportunities and smartly manage their resources to make things happen.

Our FreshBiz facilitators support the game play throughout and collect notes used later in the event. Our facilitators begin to take more of an interactive approach by presenting creative solutions and possible insights through coaching. The debriefing is arguably the most powerful part of the workshop and allows participants to share their insights from the game, what they have learned about themselves and the world of business. This is your time to completely shift how people think, communicate and act in the workplace.

#### Packages include:

- Allow your team to see the big picture with vision
- Turn employees to influential entrepreneurial thinkers
- All necessary equipment for the FreshBiz board game
- FreshBiz facilitators & coaching

### Build a Showstopper

FOR THE BAKERS

This challenge is for the bakers to show off their creative skills and talent! The judges favour a creation built with innovative thinking in mind. In this exciting team building event we will uncover the star builders and those that will want to avoid a 'Soggy Bottom'. Teams will be tasked with designing and building a 3D sculpture using a variety of different baking items, from swiss roll sponge to profiteroles and plenty of colourful ice options.

Our professional chefs will be on hand to guide teams through the best building process before letting your creative juices flow. It is now up to the teams to start the construction process....

#### Packages include:

- 2-3 hours building challenge
- Cake boxes to take-away the 3D creations
- Aprons
- Professional chefs to advise throughout
- Event management

OR ADDITIONAL ACTIVITIES WE CAN HOST AT THE CLUBHOUSE

## Escape to Eden

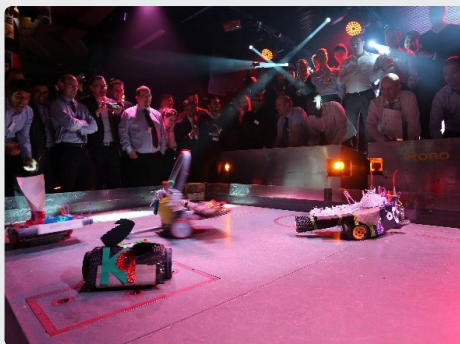

### BUILD A SUSTAINABLE COMMUNITY

Escape to Eden boasts the ability to bring participants together like never before. This is the ultimate quest to build a completely sustainable community ensuring it survives within the safe 'green' zone on the giant emissions gauge. The session will open people's minds up to the impact of their actions, making every decision critical to their community success. Teams will travel around the world to complete a number of fun international challenges, each of which include an educational value.

Each challenge completed will earn teams travel resources and funds which they need to build and develop their community. The trick is for teams to recognise the need to work together and reduce emissions. 30 tasks accompany the game, these are quick-fire, bespoke and standalone, covering issues such as disability, environmental concerns, social awareness, cultural protocol, national identity and pollution.

#### Packages include:

- Team Tactics event management
- All equipment required including 30 different challenges
- Huge emissions gauge and route master planner
- Team packs and stationary

## Robot Wars

### BUILD A CHAMPION

3, 2, 1 ... Activate! Inspired by the original BBC Robot Wars series, Team Tactics Robot Wars Challenge is creative and destructive in equal measure. Teams must create, customise and name their own robot before competing in three different challenges. Only one machine will leave the arena as Robot Wars champion.

Ideal for a half day event, Robot Wars adds real excitement to your corporate event with all members of the team involved from start to finish as they build and customise their machines and then pick up the controls with their robots' fate in their hands. Will they reign supreme or be smashed to pieces? Guided by the technical know-how of a former UK Robot Wars Champion and with an authentic arena this is an event to engage, inspire and excite

#### Packages include:

- Robot Expert and Host
- All materials required for robot construction and customisation and controls
- Mobile Robot Wars arena
- Set-up and dismantling of Robot Wars event
- Optional Extra: Prizes for the winning team

## Build a Brand

### ICE CREAM CHALLENGE

Teams must not only create their own product but must build a brand around it to wow their target audience, creating their own marketing plan before they pitch their brand to our marketing expert and explain why their product would fly off the shelf. After a tasting session the winning team will be awarded with the coveted silver scoop award. With a selection of possible flavour combinations, the Build a Brand Challenge will stimulate a team's business skills and their taste buds.

Teams are encouraged to be as original as possible and you'll be surprised, even the most bizarre of combinations prove to be a winner.

Using top quality ice cream making facilities teams must develop their brand by giving it a catchy name and designing and making the most aesthetically pleasing packaging. Ingredients and packaging materials will be priced so teams must carefully consider all costs when choosing materials to ensure the best profit. It's then time to taste the result!

#### Packages include:

- Ice Cream making tools and equipment
- Ingredients & Recipes (including dairy free)
- Craft materials & Information packs
- Table covers, gloves and aprons
- Props, costumes & Bonus team games
- Prizes for the winning team
- Full event management, team building instructors

## The perfect addition to your event at The Clubhouse

Our team can event manage, instruct and support you and your guests through any activity. We are happy to hear your requirements and suggest the best activities to achieve your goals whether that be a simple ice breaker, conference energiser, team building or learning and development activity.

View our Events Menu to add a selection of food items to your event from £8.50 per head and inclusive drinks packages starting from as little as £8.50 per head.

Visit [TheClubhouseLondon.com](http://TheClubhouseLondon.com) or email [events@theclubhouselondon.com](mailto:events@theclubhouselondon.com) to enquire or find out about additional activities we can host at The Clubhouse.
